EDUCATIONAL GRANT SUPPORT

GENERAL INFORMATION ON MEDTECH EUROPE: CODE OF ETHICAL BUSINESS

Effective January 1, 2018, MedTech Europe: Code of Ethical Business prohibit Medical Device Companies from providing direct financial sponsorship for registration, housing, travel, and meals to Healthcare Professionals (HCPs) to attend medical education conferences or training programs such as TURIN CTO&CHIP Live Course 2024. However, Medical Device Companies may give restricted educational grants to certain organizations to provide financial support to healthcare professionals to attend TURIN CTO&CHIP Live Course 2024 or similar medical educational events.

A few MedTech compliant, trusted-third party organizations have been approved to seek educational grants from Medical Device Companies to provide financial support to eligible health care professionals to attend medical meetings such as TURIN CTO&CHIP Live Course 2024.

INSTRUCTIONS HOW TO APPLY FOR A SUPPORT GRANT

If you are interested in requiring support for TURIN CTO&CHIP Live Course 2024, you are kindly requested to apply through the website.

In order to take advantage of the Educational Support criteria related to territoriality, professional health category, membership structure or academic profile will be evaluated.

Applications are subject to approval by the Scientific Committee.

TURIN CTO&CHIP Live Course 2024 cannot guarantee support for all Healthcare Professionals. If several applications meet the requirements, the “First Come, First Served” formula may be applied, if necessary.
